Sempre più protagonista dello spazio domestico il bagno, interpreta il luogo di relax per eccellenza. Design inedito trova spazio nelle case dal gusto raffinato. Un disegno morbido e deciso, forme armoniose ed evocative plasmate con diversi materiali nei lavabi e nel mobile. Un segreto per vivere bene in casa, circondandosi di cose belle e di gusto.

More and more protagonist in the house, the bathroom interprets the relaxation place par excellence. A fresh design has its own place in refined houses. A soft and clean design, harmonious and evocative shapes realized in different materials for washbasins and cabinets. The secret formula for well-being at home: surround yourself with beauty and taste.
